YOUTH ACTION SUMMER '71

Where the Action is!

Since the second week of this month the students from our various grade and high schools have been out of school for summer vacation. With the school activities slowed down except for some summer school we might wonder just what these hundreds of very active young people are doing with their "free" time.

Now a great many of the 16 and over group have jobs or at least are looking for jobs. What about the group of 16 and under? The ANTIOCH NEWS decided to take a look around to see what these young people were up to.

We could not cover all the many activities available, so we picked four that have been very active during the last two weeks; the swim team, Vacation church school, Antioch basketball clinic, and the little league. From these four alone we found over 500 young people between the ages of six and sixteen working, learning and playing very hard.

The following brief accounts can give you an inside look at where the "youth action" is this summer.

Play Ball!!

375 boys, 24 teams, 50 coaches and 375 mothers go to make up a lot of action at the various ball parks around Antioch during the summer months.

The summer baseball program for boys is broken up into three major areas. The minor leagues are for the beginning boys, the Little league for boys nine through twelve and the Babe Ruth league for boys thirteen through fifteen. Each team in all three groups has one or more games each week plus some practice time.

All teams have two adult coaches and at each game some of the mothers give of their time to run the pop and ice cream stands. To keep this large organization going the three leagues have a board of directors which takes care of the many details.

This year and for the past few years Mr. Bob Caldwell of Antioch has been the President of the board of directors.

SUMMER SWIM-IN

The Antioch community swim team, under the leadership of Mrs. Berry of Winthrop Harbor, has attracted 75 young people from the ages of 6 to 16. This group of hard working and skillful young people works out every day at the local swimming pool to perfect their ability in the art of swimming.

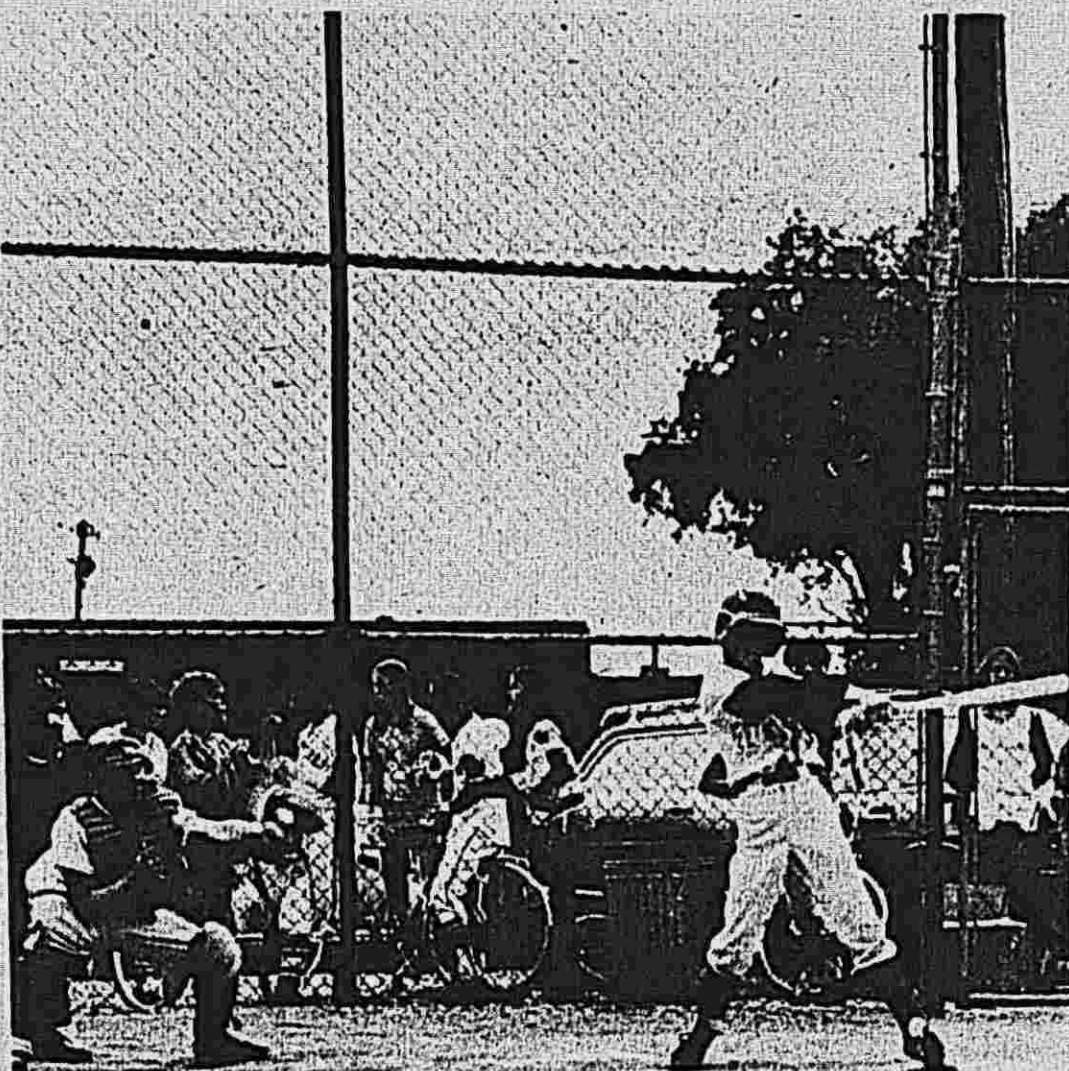

The group is broken into age groups of eight and under, 9-10, 11-12, 13-14 and 15-16. Our swim team, which belongs to the North Suburban Conference, has five dual meets, one relay meet and one conference meet in regular league competition. In addition to the regular conference meets the team also holds about seven outside meets with swim clubs from outside the conference. At the end of the season the conference meet is held at Lake Forest.

Church School

Live and Learn

The 1971 Vacation Church School held at the Antioch Methodist Church drew to a close last Friday, June 25. For the 37 young people from kindergarten through the sixth grade it brought to an end, two weeks of fun and learning. For fun there were games and songs, and the arts and crafts were a real learning experience.

The young people were divided into four groups: The kindergarten-first and second grade, third and fourth, and fifth and sixth grade. Each group worked on projects and also a study unit during the two weeks of morning classes.

One of the 375 boys involved in the Summer Baseball program takes his cut.

SWEET SONG AND BUSY HANDS tell us the story as the kindergarten class of the vacation church school end their two week school.

Young Hoopsters Practice

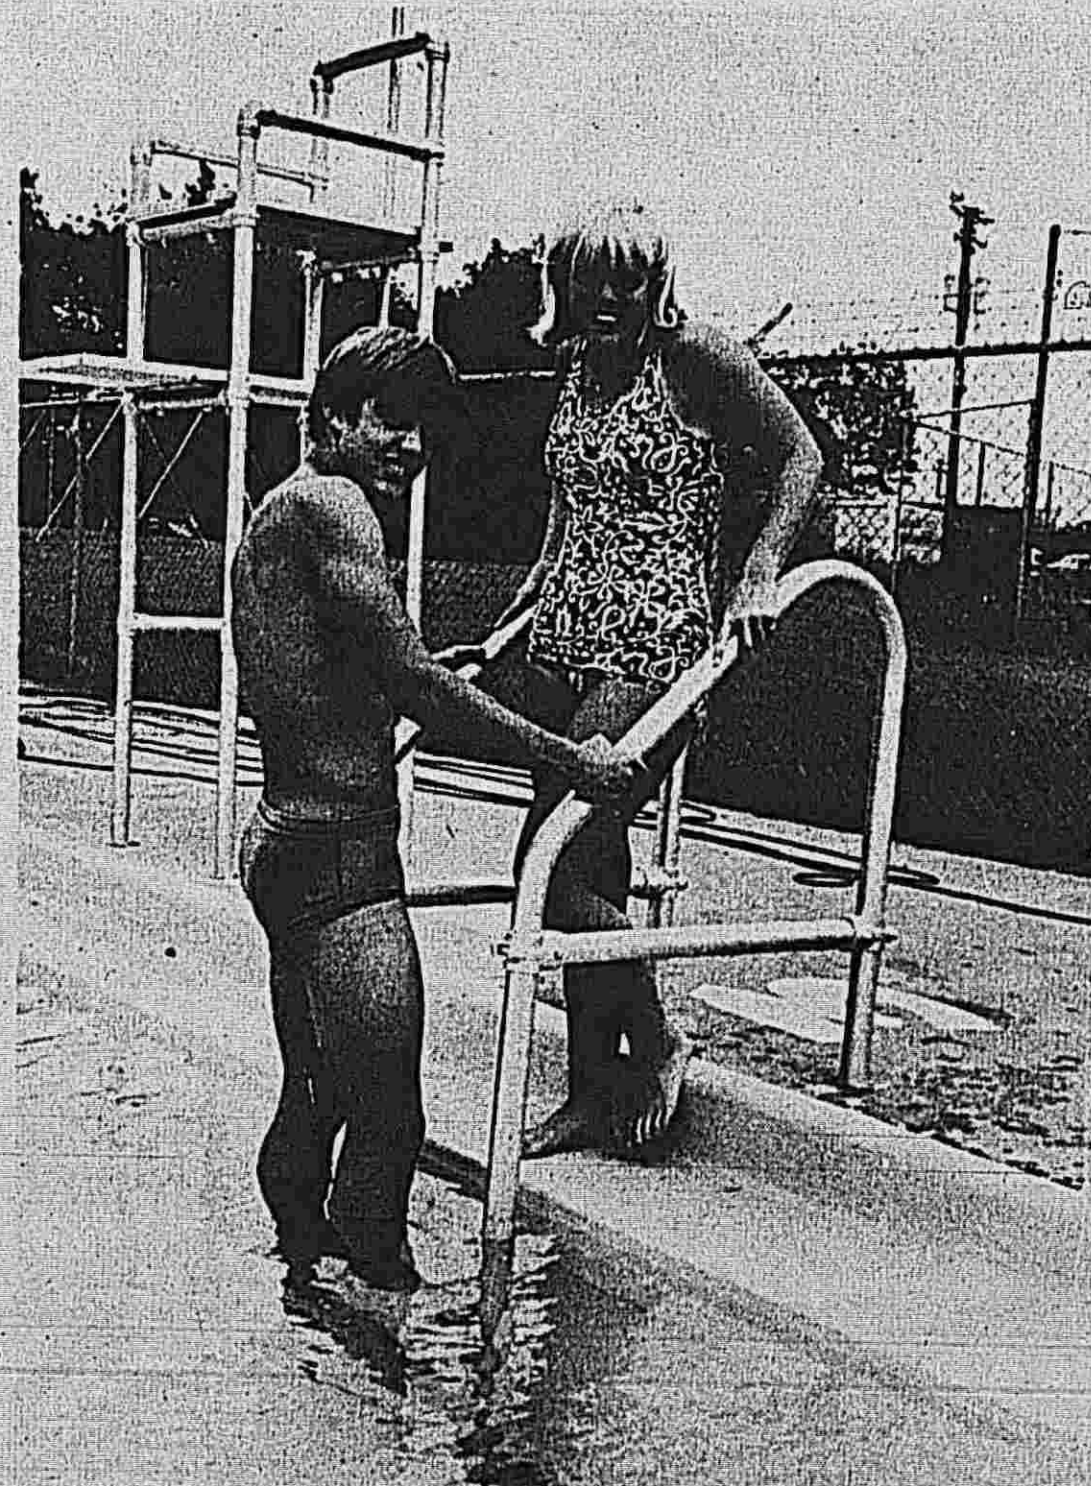

Each day for the last two weeks 26 boys under the direction of Mr. Roger Andrews and Mr. Gary Allen have been working out for an hour and a half in the old high school gym developing their skills in the game of basketball.

At the end of the two week workout each boy received an award for having attended the clinic. Special awards were given to boys for lay-up shooting, free throws and most improved player in each age group.

The boys were divided into two groups. The fifth and sixth grade boys in one group and the seventh and eighth graders in another.

MOST IMPROVED PLAYERS—1971 Basketball Clinic—Pictured 1st row: C. Hall and B. Robinson, 5th grade. Second row: P. Petty, 7th grade, J. Walder, 8th grade, D. Dietz, 6th grade and B. Seemann, 6th grade.

Pat Muro of Zion, Illinois and Barb Dodd of Antioch are two outstanding members of the Antioch Swim Team. Pat's specialty is the Butterfly stroke, Barb's the Back stroke.

OUR FLAG

Public Law Number 829 Section (a) states: "It is the universal custom to display the flag only from sunrise to sunset on buildings and stationary flagstaffs in the open. However, the flag may be displayed at night upon special occasions when it is desired to produce a patriotic effect." There is no legal prohibition against the display of the flag twenty-four hours a day. This practice is presently being employed by individuals, civic organizations and local government officials for a variety of patriotic reasons. This is considered permissible and in accordance with the provisions of the Flag Law. Although not stated in the Law, it is considered desirable to illuminate the flag by the use of floodlights so that passersby will be aware of its display. The flag should never be displayed day and night merely as a convenience.

Also Public Law Number 829 Section 2 (c) states: "The flag should not be displayed on days when the weather is inclement." It is believed that the intent of this provision was to protect the flag from the effects of stormy or very windy weather. A flag which is flown during inclement weather or day and night should be made of material strong enough to withstand such wear, and it should be replaced promptly when it begins to show signs of wear.

FLY IT PROUDLY

Our Congressman

Congressman Robert McClory announced from his Washington office today that he is "encouraged" by the \$12 billion fiscal 1972 funding recommendation for the Department of Agriculture and the Federal Consumer and Environmental Protection Agencies as reported by the House Appropriations Committee last Friday.

The Agriculture Appropriations Bill will have its greatest impact on the dairy farmers of Lake and McHenry Counties by providing a dairy indemnity program, price supports for dairy products, and increased funds for agricultural research.

Under the Agriculture Act of 1970, the dairy and beekeeper indemnity programs were expanded to include not only indemnity payments to dairy farmers who through no fault of their own suffer losses due to residues of poisonous pesticides, but similar indemnification for manufacturers of dairy products and beekeepers. The Committee last Friday recommended \$2.5 million to continue the dairy and beekeeper indemnity programs. This sum together with the \$3.5 million appropriated on May 25 should adequately meet the program needs.

To maintain the level of price supports for dairy products currently at 85 percent of parity, the Committee recommended an additional \$3,613,331,000 for the Commodity Credit Corporation. These additional funds will insure that the present dairy price support at \$4.93 per hundredweight will be maintained.

Also, the Committee recommended more than \$277 million for agricultural research representing an increase of \$1,285,000 over the fiscal 1971 level. Included in the new sum is \$22,495,800 for the eradication of brucellosis.

The bill also contains \$3,126,000 for environmental protection including funds for soil conservation programs and the construction of water and sewer facilities.

In addition, the bill provides \$2,763,023,000 for consumer protection and consumer services such as the food assistance programs administered by the U.S. Department of Agriculture including the food stamp and special milk programs as well as the Department's regulatory activities among which are the inspection of meat, poultry and eggs.

Congressman McClory welcomed the action taken by the Committee saying, "I am encouraged by the Committee's recommendations for increased levels of funding for these much-needed programs in commodity credit and agricultural research. Adoption of the Committee's bill will greatly benefit the dairy farmers of Lake and McHenry Counties. I trust that when this legislation comes before the full House, my colleagues will accept the Committee's recommendations."

TEACHERS TO DECIDE

The Antioch Grade School Board of Education has declared that an impasse will exist if the Antioch Elementary Education Association does not accept its terms by noon on June 30.

Should this impasse come about, the Board declares that there will be a reversion back to the 1970-71 base contracts with no increment for 1971-72.

This impasse would entail withdrawal by the Board of all prior offers and, according to the negotiating agreement, employment of a mediator to resolve the terms.

Mr. Henry Meyer of the Antioch Grade School Board clarified for the Antioch News that if mediation is required, the Federal Mediation and Conciliation Service or the American Arbitrators Association will be requested to appoint a mediator from its staff to aid in resolving the problem.

The expense of the mediation would be assumed by the Grade School Board and the A.E.E.A. on a 50-50 basis.

The A.E.E.A. negotiating committee, headed by Mrs. Robert Gertin, was contacted but declined comment or information on the present question.

PICKARD CHINA is one of the oldest ongoing manufacturing operations in Antioch. In 1937, needing to expand the Pickard Studios, Inc. (as it was then known), the site in Antioch which met their needs was chosen. Since moving to Antioch Pickard has had a steady growth. In fact, according to Mr. Henry A. Pickard, Jr., the company is well on its way to achieving the 14th year of sales growth. The fact that their sales have continued to grow is really not surprising. According to many leading authorities in the field of fine china, Pickard China is the finest in the world -- a fact of which both Pickard and Antioch should be proud.

The American public is generally geared to thinking of great manufacturing operations as a place of vast machines, assembly lines and everything that goes with today's fast and automated world. When you have a chance to step into the world of Fine China by Pickard you are stepping back into the quiet world of Art by Hand. This art, almost lost in most areas of our lives, is brought to its absolute perfection at Pickard. Each piece of china goes through many tedious hand operations before the public ever sees it. Each operation is done by the hands of a skilled artist and at no time is the rush put on or "let it go this time, no one will see it." Absolute care and many, many inspections of each item take place before it is allowed to bear the Pickard Trademark.

The name of Pickard China is known nation and world wide. Pickard has had the honor of making the State Service for the States of Iowa, Georgia, Louisiana and Texas. Just recently Pickard received the order to make the State Service for the State of Illinois.

Many persons from all over the world come to visit the beautiful new show rooms at Pickard each day. It might be well if we of Antioch take the time to visit the show room of Pickard. It is open Monday through Friday from 8:30 a.m. to 4:00 p.m.

This is one in a series of articles giving the readers of THE ANTIOCH NEWS a closer look at the many fine and interesting manufacturing operations we have in our community.

FRED MENNINGER, a skilled decorator hand paints platinum "crescent" design on Pickard plate.

TOM LAGIOR, a molder at Pickard is working with plaster on a spinning "Potter's wheel". He shapes the cover for a new candy dish.

NORTH CHICAGO, ILL., June 25, 1971 — Directors of Abbott Laboratories today declared a regular quarterly dividend of 27½ cents on each outstanding common share and 50 cents on each of the outstanding Series A preferred shares.

Both dividends are payable August 15, 1971, to shareholders of record July 23, 1971.

prophecy fulfilled ?

Independence Day is a holiday that is observed legally in every State in the Union. It celebrates the adoption of the Declaration of Independence on July 4, 1776, which declared our separation from Great Britain.

At the time of the adoption of the Declaration of Independence, John Adams, one of the signers of the Declaration, wrote his wife a letter which reads much like a prophecy: "I am apt to believe," he said, "that this day will be celebrated by succeeding generations as the great anniversary. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, balls, bonfires and illumination from one end of this continent to another, from this time forward for evermore."

QUESTION: How many of us in Antioch follow this prophecy set down by one of the founders of our great nation? At present it would seem that most of us find ourselves far too occupied to take the time to give thought to one of the great days in our history. Even more of an error on our part, we do not find time to make our children aware of the occasion.

There is one area in which we do find each holiday remembered. Just watch your TV ads -- or newspaper ads -- or billboards -- they will remind you of the day and of the fact that its time to buy that new car, or take a vacation with us, or buy a new set of clothes for the kids. The business world never forgets and it is good that they do not and no one should blame them for it. But, when was the last really big celebration of any of our memorable national holidays in Antioch?

There are a number of days each year set aside that hold a special significance in our national life. These days on the calendar which are specially set apart as holidays are kept in remembrance of the past, but, more important, so that the children of the present may be able to prepare a blessing for the children of the future. At no other period of time in the history of this great nation has there been a greater need for the building of pride and loyalty in OUR TOWN, OUR STATE AND OUR NATION. There is no better way than to remember our great past so we can help build a great future.

HAPPY 4TH OF JULY!!
THE ANTIOCH NEWS

The Pledge of ALLEGIANCE

EDITOR'S NOTE:

Several years ago Red Skelton presented on his television show an interpretation of the Pledge of Allegiance. It caught on. Thousands upon thousands of letters poured into television stations throughout the country requesting copies of it. A recording was made. It was read into the Congressional Record. It was picked up by many press services and newspapers. With Independence Day, July 4 at hand, it is appropriate to read again Skelton's reminiscence as a reminder of the meaning of patriotism.

by RED SKELTON

I remember this one teacher. To me, he was the greatest teacher, a real sage of my time. He had such wisdom. We were all reciting the Pledge of Allegiance, and he walked over. Mr. Lasswell was his name. He said:

"I've been listening to you boys and girls recite the Pledge of Allegiance all semester, and it seems as though it is becoming monotonous to you. If I may, may I recite it and try to explain to you the meaning of each word.

"I-me, an individual, a committee of one.

Pledge- dedicate all of my worldly goods to give without self pity.

Allegiance- my love and my devotion.

To the flag- our standard, Old Glory, a symbol of freedom; wherever she waves, there is respect because your loyalty has given her a dignity that shouts freedom is everybody's job.

Of the United- that means that we have all come together.

States- individual communities that have united into 48 great states; 48 individual communities with pride and dignity and purpose, all divided with imaginary boundaries, yet united to a common purpose, and that's love for country.

And to the republic- republic, a state in which sovereign power is invested in representatives chosen by the people to govern; and government is the people and it's from the people to the leaders, not from the leaders to the people.

For which it stands.

One nation- the nation, meaning, so blessed by God.

Indivisible- incapable of being divided.

With liberty- which is freedom and the right or power to live one's own life without threats, or fear, or some sort of retaliation.

And justice- the principle or quality of dealing fairly with others.

For all- which means, boys and girls, it's as much your country as it is mine.

"And now, boys and girls, let me hear you recite together the Pledge of Allegiance: "I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation, indivisible, with liberty and justice for all."

Since I was a small boy, two states have been added to our country and two words have been added to the Pledge of Allegiance: "Under God."

Wouldn't it be a pity if someone were now to say, "That's a prayer" and that would be eliminated from schools too?

Letters to Editor

It was my misfortune, last Friday afternoon, to be driving up to the Colonial Apartments on South Main Street. What I saw up there was, to say the least, shocking and upsetting.

Some of the residents of the apartments have obviously taken it upon themselves to use the vacant lot north of the buildings as their own personal garbage dump. Empty bottles, cans, watermelon rinds and assorted refuse is being thrown down the hill and it appears that nobody is doing a thing to stop it.

With so much emphasis on ecology in today's newspapers and anti-pollution campaigns being shown on television, I think that any responsible citizen would be more than willing to make an honest effort to do their part to control littering of this sort.

Some people may say, "It's only a vacant lot, so what's the harm?" That is not the point. If these people are polluting their own backyard, what are they doing to our lakes when they take a boatride, or our parks when they go on a picnic?

Granted, not all of the people in the apartments are guilty. The offenders may not realize what they are doing. I hope that this letter will bring it to their attention and help to eliminate a very poor situation.

*Respectfully yours,
Patricia Folbrich

ANTIOCH POST OFFICE

The inauguration of the new United States Postal Service on July 1, will be celebrated in Washington, D.C., and in every post across the country. Postmaster Bob Carter has announced that all members of the community are invited to visit the local post office on July 1st.

Visitors to the post office will be given a souvenir envelope imprinted with the old and new insignia of the Postal Service. This envelope

will also be made available in limited numbers as a first day cancelation for just the cost of an .08 stamp. This will be the first time First Day Covers have been available in all U.S. Post Offices.

There will be a photographic display in the Post Office lobby showing the jobs and functions of the modern Postal Service. There will also be a display of historic stamp posters. These posters are in full color and large blow-ups of some of the famous U.S. Stamps. This display of posters can also be seen in the front lobby of the State Bank of Antioch.

ANTIOCH HIGH SPECIAL SCHOOL BOARD MEETING--June 23

At the special meeting of the Antioch Community High School Board held on June 23 the board approved, as submitted, The Black Book Report with the exception of the section on salaries.

The Black Book Report, a report made to the board by the administration and the department chairmen, concerning the reorganization of responsibilities and duties of the administration and department chairmen. This report and the recommendation therein was accepted by the board, with the exception of the portion of the report on extra pay for department chairmen. This

area of the report was not rejected but deferred by the board. Asst. Supt. Warren Polley said this area would be considered later when department chairmen and administrative salaries were ready for discussion.

The Board reviewed the report of the Office of the Superintendent of Public Instruction. This comprehensive visitation report, made March 17, 1971, was reported to be overall favorable. Recommendations discussed included better coordination and articulation between the high school and the ten elementary schools feeding into it with respect to bringing high school and elementary school teachers together.

Bids were considered for paper supplies, milk and ice cream for next year. Paper bids were recorded but will be passed on at the next meeting.

Supplying milk to the high school for next year will be Willowdale Dairy. Sealtest ice cream will be purchased.

I. W. Carey Electric and Plumbing Co. of Antioch was awarded the contract bid for plumbing in the remodeling and Life Safety Code construction. The accepted bid was \$20,055. Other bids had been awarded at the last meeting.

Following the meeting, the board went into a short executive session.

Save money on auto insurance, if:

If your insurance company is already giving you a break because you have a good driving record—chances are we can give you a better break with our new Etna All-Driver Plan.

That's because we're introducing an entirely new, different method of determining rates and providing broad coverage for auto insurance. And there are 10 ways you can now qualify for lower rates or broader coverage.

If you have a fair driving record, but couldn't avoid a couple of fender-benders over the past few years, you're most likely paying a higher price for your coverage. With the new Etna All-Driver concept, you, too, may be able to save money. And most important, we'll give you the best guarantee in the industry on renewing your policy.

PM&L "FANTASTICKS"

A fantastic summer musical is in store for all summer theatre goers. PM&L presents "The Fantasticks" by Tom Jones and Harvey Schmidt at the PM&L Theatre, 877 Main St. on July 23, 24, 29, 30 and 31.

"The Fantasticks" offers a star studded cast headed by Antioch's own Lloyd Pedersen, featured male vocalist with the Wayne King Orchestra. Lloyd will play the role of El Gallo.

Dina Fabry of Lindenhurst plays the girl, Luisa. Dina is a third grade teacher at B.J. Hooper School with much singing experience.

Matt, the boy, is Jim O'Connor from Ingleside. Jim is a senior art education major at Illinois Wesleyan University.

Ron Koules from Round Lake Beach pantomimes the Mute-a very demanding role. Ron was a newcomer to PM&L this year and has appeared in several plays.

The two fathers are Dr. Al Ramsay from Duck Lake who returns to the PM&L stage after several months absence and Tom Hausman from Lake Villa who is the drama instructor at Wilmot High School and is making his first appearance with PM&L.

The old actor Henry is played by veteran PM&L actor

and director Don Beveroth from Paddock Lake, Wisc. and he is supported by Mortimer, the man who dies, played by Bryan Sorensen from Antioch who will be a drama major at Illinois Wesleyan this year.

"The Fantasticks" is a parable about love-make plans to see it in July.

CARMEL HONORS AREA STUDENTS

Two Antioch residents made the fourth quarter honor roll at Carmel High School for Girls in Mundelein. Jean Forster, a senior, reached the Special Honors roll with a grade point average of 4.0 or above. Mary Alice Molgard, also a senior, achieved the First Honors roll with an average between 3.50 and 3.99.

Laurel Clooney, Celeste Tischler, both seniors, and Marjorie O'Neill, a sophomore, were Lake Villa residents who were listed on the First Honors roll.

Cited for Second Honors at Carmel High School for Boys are two Antioch residents Timothy Garwood, a sophomore, and Philip Sunich, a freshman.

Generation Gap

by Karen Sheehan

With a few lazy days off for this holiday week-end ahead most area college kids hope to find some excitement around the Lakes region. For everyday excitement let's see what a few more ACHS graduates seeking higher learning are doing this summer.

A defensive end and tackle on the Monmouth football team KARL JENNRICH keeps in condition this summer working for Bolander Construction Company. Karl will be a senior at Monmouth this fall.

Taking time off from his job with Lameer Builders in Salem, Karl's brother ED left June 8 on a 6-week summer cruise! No it's not an exotic trip around the world or anything. Ed is in Navy ROTC and he'll be visiting Corpus Christi, Texas and Little Creek, Virginia. Ed attends Iowa State University where he is a junior Chemistry major.

JUDY MIEURE manages to work, go to school and enjoy this summer vacation. Although she is a sophomore at Eastern Illinois University during the school year, she's taking one course at the College of Lake County right now. When she's not studying (?), she also works part time at the Jewel and plays on a bowling team.

Painting and doing odd jobs for Mr. Warren is RICK NELSON's occupation this summer. Rick attended the

Coast Guard Academy this past year and will be a sophomore at Western Illinois University in the fall. Rick looks forward to being part of the wrestling team at WIU.

A finance major at the University of Illinois, JIM KOPRIVA will be a junior this fall. He seems to be enjoying his work at Allendale this summer where he takes charge of 15 little boys. It's mostly recreational so it must be lots of fun.

BARB DE YOUNG has a short vacation this summer. Going to nursing school at Swedish American Hospital in Rockford, Barb is part of a three-year program which lasts through the summer. She will be home from July 1 to July 24 and then she'll be back to dorm life again for the next semester.

Congratulations to DIANE VOS on her acceptance at North Park College in Chicago. She plans to get her Bachelor of Science in Nursing degree. This summer Diane works in the factory at Regal China.

GREER RECEIVES DEGREE

James A. Greer, son of Mrs. Martha E. Greer, Rt. 2, Antioch, received a B.A. degree in philosophy from Lake Forest College at commencement exercises June 12.

A 1967 graduate of Antioch Community High School, he was a contributor to "Collages", the College foreign language publication. He was also a Dean's list student.

W.O.T.M. ENROLLS CANDIDATES

The enrollment of new candidates was held at the Officer's Chapter night meeting of the W.O.T.M. The meeting was called to order by Senior Regent Erna Toft and the recorder Jerri Polson called the roll.

Regular candidates are Margaret Uterhart, sponsored by Jerri Polson; Trudy McGoldrick, sponsored by Gladys Schroeder; Karen Williams, sponsored by Dorothy Laursen; Karen Sekafetz, sponsored by Elsie Toman; and Betty Lou Quilty, sponsored by Karen Bartuska.

Home Chapter members are Ethel Siegal, sponsored by Karen Bartuska; Dorothy Morgan, sponsored by Gerry Schumann; Joyce Coddington, sponsored by Harriet Grewe; and Rhoda Edwards, sponsored by Dorothy Laursen.

Recorder Jerry Polson announced that the Chapter has made the year, and Junior Graduate Regent Re Hadley will be joining the College of Regents.

Chapter Pins were awarded to Frances Scanlon and Ann

Barone for attending three consecutive meetings.

The Senior Regent was presented a scrap book of mementoes compiled by the Publicity Committee when her husband surprised her at the meeting. She gave a big thank you to her committee Millie Stroner, Jane Meyer, Harriet Grewe, Evie Miller, Gert Good, Vi Laursen, and Shirley Rentsch.

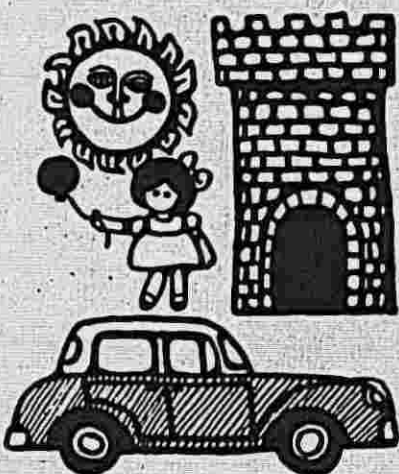

The next Chapter meeting will be held on July 8.

DEAN'S LIST

Among some 20 Lake County students named to the Dean's List at Illinois Wesleyan University at Bloomington are Christine Marie Johnson, from Antioch and Diana Lou Colbert and Susan L. Sherwood, both of Lake Villa.

Dr. John L. Clark, dean of the university, announced that a student must have earned a grade-point average of at least 3.25, based on 4.0 for straight A's during the second semester to be placed on the Dean's List.

SOCIAL NOTES by Del Jahneke

Mrs. Leonard Hironimus, Petite Lake, held a Tupperware party at her home, Wednesday, June 23rd. All the ladies admired her nice new home, and enjoyed a lovely evening.

The Bernard De Vries, North Avenue, celebrated their 24th Wedding anniversary with a family dinner party at their home, June 21st. Their daughter and son-in-law, the Dan Martin family of North Chicago, and daughters, Colleen and Diana helped make this a happy occasion! Their fourth daughter and husband, the Robert Januanis of Waukegan, were able to spend Father's Day with them, but were unable to be present for their anniversary! Congratulations, Bernie and Helen, and many many more!

Mrs. Clarence Larson, Noble Grand of the Lakeside Rebekah Lodge 82 of Antioch, accompanied by Mrs. Harold

Ellis, Financial Secretary; and Mrs. Walter Buchert, Treasurer; attended the "Honoring of Noble Grands and Vice Grands" Night of the Sheridan Rebekah Lodge in Highland Park, June 21st.

Sun-bathing, swimming, fishing and picnicking provided pleasant pastimes this previous weekend for the Ray Rathmann's and the McCaskey's of Palatine at Lake Koshganong, Wisconsin. Mrs. McCaskey, a cousin of Mrs. Rathmann, has a cottage at this lake.

Father's Day found twenty-four children and grandchildren at the F. A. Swenson home on Deep Lake Road. The beautiful weather was perfect for the picnic, pot luck dinner parties held outdoors. The Francis Swenson's of Milton, Wisconsin; the George Swenson's of Grandwood Park; and the Lester Zitkus' of Antioch; were all part of this family "togetherness"!

DAVIS-LULOFS

A wedding took place at R.A.F. Mildenhall Base Chapel on Saturday between Mr. Martin Lulofs, first son of Mr. and Mrs. C. Lulofs of 591 Garys Drive Antioch, and Miss Lynn Davis only daughter of Mr. and Mrs. W. Davis of 8, Pashford Close, Lakenheath, Suffolk, England.

The bride, who was given away by her father, wore a white satin dress covered with lace and teardrop pearls, with a long train and full skirt, and a shoulder length circular lace veil with white edging and a crown of satin roses. She carried a bouquet of roses, lilies of the valley and chrysanthemums. Her gift from the bridegroom was a gold cross.

Bridesmaids were Miss Jane Crofts, Miss Vivian Ross and Miss Penelope Enderby. They

wore green satin empire line dresses with pink hats, and pink satin empire dresses with rosebuds in the hair. They carried bouquets of pink roses, lilies of the valley and chrysanthemums. The bridegroom's gifts to the bridesmaids were gold crosses. Best man was Mr. Roger Knowlton.

A reception was held at the Top Three Club, R.A.F. Mildenhall for 70 guests.

The couple left for a honeymoon in Torquay. The bride's travelling dress was a purple and white cotton maxi dress with white accessories.

The bride is a pre-nursing student at the Wayland Hospital Attleborough, Norfolk and the groom is in the United States Air Force at R.A.F. Mildenhall.

American Legion Auxiliary News

The 10th District "Juniors" of the American Legion Auxiliary held their annual swimming party, picnic and meeting at Gages Lake, on June 19th. Miss Jeanne Walston, Lake Zurich, District Junior President, conducted the combination party meeting.

Election of district junior officers took place with Laura Brown, North Chicago, elected District Junior President. Other district juniors officers are Susan Rathmann, Antioch, Vice President; Marlene Gabris, Waukegan 281, Secretary; Cindy Abbott, Round Lake,

Treasurer; Wendy Dorn, Mundelein, Historian; Shirley Stastny, Mundelein, Chaplain; and Robin Chudzik, Lake Zurich, Sergeant-at-Arms.

According to Mrs. Ray Rathmann, Antioch, District Junior Activities Chairman, some sixty juniors and their senior advisors were at this picnic meeting.

Representing the Antioch American Legion Auxiliary 748, were Mrs. Rathmann, Mrs. Lester Zitkus, Mrs. Bernard De Vries, Antioch Unit Junior Activities Chairman; and Juniors, Annette Zitkus, Colleen and Diana De Vries.

Sure has been a busy week—weddings—LOIS HERMAN, daughter of Mr. and Mrs. James Herman, Orchard St. became the bride of her college sweetheart Jerry Friday on June 26. A lovely reception was held at the Rustic Manor for their relatives and friends following the ceremony.

Robert Cunningham and his new bride Joanne were recently married and had a beautiful garden reception at the home of the groom's parents (Murrill and Alice Cunningham).

A reunion of the EINAR PETERSEN-HENNING family was held on Sunday, June 27 at Fox River Park. Many of their children attended along with grandchildren, and some came from as far away as California. All totalled, there were over 75 people in attendance, and a great time was had by all.

Have you seen MIKE HALEY beamingly proudly?? If so, the reason is his wife Sue presented him with a beautiful baby girl last week. The TOM BORLAS added another little girl to their household. Little Brenda weighed 8 lbs. and joins her two sisters Tracy and Deanna.

Happy Anniversary to . . . Mr. and Mrs. Peter Zalatoris of Shady Nook, who recently celebrated 57 years of wedded bliss. Mr. and Mrs.

William Barrett of Channel Lake, 50 years, Mr. and Mrs. Ray Gallaher of Antioch for 13 years and Mr. and Mrs. Dan Kasik on their 15th anniversary. Congrats to all!!

All reports are that the Antioch Grade School band tour was a "blast". Asked one of the students what she will remember the most and she said "892 steps in the Washington Monument, and, of course, our band playing on the Capitol steps."

FRANK AND LUCILLE KUECHENMEISTER recently returned from a trip to Florida, where they met and boated with friends from Lake Villa and Antioch. Frank reports the diving is great! (Frank is one of our scuba divers from the Fire Dept.). . . MR. AND MRS. JOE SHEEHAN recently returned from a "too short" vacation trip to Oklahoma.

The month of June held many birthday celebrations for the Zalatoris families: Peter, William, Richard and Mark. Happy belated wishes to you all. Also RENEE BOBZIEN who turned 18 on June 26 and to Mae Peterson and Bea Milz.

Don't forget the American Legion Post 748 Carnival this week. June 30 through July 5 on Rt. 173, next to the Ford garage.

Have a safe 4th and drive carefully—

Annie Mae

CHRISTIAN SCIENCE CHURCHES

What are the rights of man?
What is the source of liberty?
These are questions to be explored at Christian Science church services Sunday in a Lesson-Sermon entitled "God."
"Discerning the rights of man, we cannot fail to foresee the doom of all oppression," one of the citations to be read from **SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES** by Mary Baker Eddy states.

Scriptural passages include the insight: "Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty."

The service begins at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois. All are welcome.

"LOOKING FOR A JOB?"

WHERE DOES GOD FIT IN?"

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

If your child can say "emergency" teach her to say it to the Operator.

Dialing Zero for help in an emergency is so simple a child can do it. And so important, every child should learn how.

Here are three hints to help you teach your child how to get help if she ever needs it:

First, don't hand her the receiver. Let her pick it up herself, the way she would in a real emergency.

Second, while you hold down the receiver button, teach her how to dial the Operator.

Third, tell her to speak directly into the mouthpiece, clearly and slowly, giving her name, address, and phone number. It might be a good idea to phone a friend so she can listen to your child repeat her message.

We feel it's important for your child to know how to get help from the Operator when she needs it.

And we hope she never needs it.

How to hide the fact
that you're away on vacation.

You could ask your next-door neighbor to come in and switch on a lamp. But that's tough on him if you live in the country. And if you live in the city, you may not even know your neighbor. Besides, who'll turn it off?

Install an electric timer instead. Even better, install several. By now an average burglar is wise to the lamp that goes on at dusk and goes off at bedtime. Especially if the performance is confined to one room

and lasts two weeks. It will take him much longer to figure out the living room lamp and the TV or radio going on at dusk and off at 10:40. And the bathroom light switching on from 10:30 until 11:00. And the bedroom reading lamp from 11 until 11:20. And if the kitchen overhead switches on at 2 a.m. for 15 minutes, he'll never figure it out.

Added advantage: this tricky timing uses about the same amount of electricity as one steadily burning lamp.

And for extra area protection anytime, an electric eye to light up your yard automatically from dusk till dawn, so you can see everyone who approaches your home. Give your neighbor a break and just let him collect the mail and read your magazines.

AARP INSTALLS AT IRON KETTLE

A noon day luncheon for the Antioch Area Chapter No. 387 of the American Association of Retired Persons was held at the Iron Kettle, Wilmot on June 22 for the installation of 1971-72 officers and directors, with 105 members attending.

John L. Horan, past president of the chapter, installed the officers as follows: Harold W. Lindberg, president; Ruth Carlson, 1st vice; Fred Wendt, 2nd vice; Stella Nelson, secretary and Clarence F. Spiering, treasurer.

Harold W. Lindberg installed the seven elected directors: John L. Horan, Dolly Spiering, Clara Wendt, Violet Feldmann, Ann Paulsen, Ruth Tidmarsh and James Kocmoud. He also made the following appointments: John L. Horan, director of chapter programs; Ruth Tidmarsh, welfare and sick; Mary DeVos, kitchen supervisor; Ruth Carlson, welfare and membership; Fred Wendt, in charge of house committee; and James Kocmoud, chairman of legislation.

James Kocmoud, Violet Feldmann and Bud Gilliam will comprise the audit committee.

Seventy-five of the chapter members took a boat trip on Lake Geneva Tuesday with Mr. and Mrs. Clarence F. Spiering passing out box lunches for the members.

The annual Chapter picnic will take place on July 6 at the VanPatten Woods, with the noon day meal being served by LaVergne Catering Service, Silver Lake, Wisc.

The following chapters will be in attendance for the picnic: Rockford, Fox Lake, Waukegan, Kenosha and Winthrop Harbor.

There will be no meetings during the months of July and August.

REIMER LEADS FAST WILMOT FIELD IN FEATURE

Wilmot, Wis.—The Fred Nielsen A3 modified stock car returned to victory circle at the Kenosha County Speedway on Sat. night for the first time since September of last year when Whitey Harris won both legs of the 50 lap championship races. Tonight, it was Johnny Reimer, Caladonia who drove the car into victory circle.

Harris' presence however was definitely felt by the more than 4000 fans as he started last in a heat race and showed he had found a fast outside groove in overhauling leader Don Sorce, West Allis in the closest race of the night. In the feature, he again was in last place as Mouse Wade, Gurnee jumped into a lead till he spun on the 5th lap. That put Waukegan's Roger Isles in the lead and he held off Reimer till the 12th lap when the race was stopped as Eddie Loomis spun in front of Harris. Harris was out with a broken spindle after coming up to sixth place.

At the end Reimer was nearly a half lap ahead of a close battle between Bill Bohn, Kenosha and Sorce as they traded, off the number two spot. Sorce was ahead of Bohn at the end and then it was Tom Anderson, Antioch, and Al Schill, Frankville. Fast time qualifier, Loomis, with an 18.18 second lap, finished 10th after the restart.

A very exciting and close finish in the semi-feature saw Roger Otto, Burlington, almost nip Larry Leach of Elkhorn. Otto showed the smartest bit of driving of the night in moving through the 24 car field. Leach was the only double winner of the night as he won a heat race too.

Women Golf at Country Club

Excitement builds as the Tuesday morning State Bank Women's Golf League continues to meet at the Antioch Country Club. In first place with 11½ points is Team No. 2. Its members are Dolores Scarpelli, Ruth Pickus, Eugene Nissen, Sally Hawkins and Phyllis Kapischke.

Teams No. 5 and 7 are tied with 10 points for second place and Team No. 8 is in third place with 9½ points.

Five 10 lap heats were again necessary to satisfy the large 46 car field. Other heats were won by George Fisher, Port Atkinson; Ray Dobbs, Milwaukee; and Jim Bhehles, Frankville.

Jack Ashenbrenner, wind Lake, again set fast time in the Sportsman Stock car group but found stiffer competition in the feature race as he wound up only fourth. Gil Couillard, Caladonia won over Charlie Weddel, Milwaukee and Wes Eckert, Milwaukee. The Sportsman semi-feature was being led by Bryan Boyington, Kenosha but on the last lap he rolled over and crashed to hard that the engine came out of the car. He was not injured and the win then went to Joe Steckling, Cudahy. Heats were won by Dwight Schwartz, Joe Greske and Ashenbrenner who leads in Sportsman Stock Car standings.

There was a record attendance of 4120 with a \$3556.00 purse Saturday night.

HARRIS HANGS UP THE LAKE GENEVA CHECKER

Whitey Harris, Lake Villa, defending IRA Champion for the super modifieds won the 30 lap feature race here tonight taking the lead from pole starter Jim Boehles. Harris started 12th in the feature race field and had to work his way forward nearly a car at a time.

His win here tonight broke the two in a row win streak of Johnny Reimer who had earlier set fast time and won his heat. It looked like it might have been Reimers night but as the green flag waved starting the race, Reimers A3 modified slipped out of gear and he came to stop being passed by the field. Later he got the car going and raced through the traffic and finished 11th at the end.

Heat races were won by Dick Aissen; Jr. Dodd; Bill Bohn and Reimer. Aissen became the nights only double winner wa he also won the 15 lap semi-feature.

Jack Ashenbrenner had his problems in the sportsman stock car feature. He had set fast time and won his heat but the expert driving of Charlie Weddel held him off in third place too long and he never got a chance to challenge Cal Clark the winner.

The first lap feature accident saw half the field pile-up on the backstretch with Ralph Koerner of Milwaukee and Burlon Mauldin of Park City doing simultaneous roll-overs. Neither driver was hurt and both picked up rollover trophies courtesy of Ace Antenna Service.

The feature action still wasn't over as Roger Hacke of Waukegan was leading as the white flag came out. He sideswiped Ed Smith of Gurnee and spun into the concrete wall under the starter's stand with Wendell Stevenson squeezing through for the last lap win.

A field of over 50 hobby stock and sportsman cars are expected for their special races next Friday night July 2. A full card of hobby races plus a powder puff derby and a complete fireworks display are on that card. The races start at 8 p.m.

Saturday night was a night fans won't forget and many drivers would like to forget at the Waukegan Speedway. Point leader Bob May of Gurnee was taken to the hospital for treatment of rib injuries and bruises after a late model feature race crash with Al Gutcheof Bristol.

In the 20th lap of the feature Gutche blew his engine at the start-finish line and spun crazily into the first turn, coating the track with oil. May, close behind, hit the oil at full tilt and slammed into Gutche's disabled car. Both cars were severely damaged.

Tom Jones of Northbrook, who had taken the lead on the 13th lap, maintained a comfortable margin until the finish for the win. Jim Cossman of Waukegan took second on the 21st lap and finished there with Vern Browne of Wauconda third, Frank Cabrera of Chicago fourth and Gary Zobel of Mundelein fifth.

Deerfield's Lou Clavey led for half of the first lap before Cabrera took first. A third lap accident left Bob Delaney of Keeneyville parked in the first turn and a restart was required. Clavey repassed Cabrera in the fourth lap and he opened up a good lead.

Jones took second spot on the 9th lap and moved into the lead after Clavey spun coming out of the second turn on the 13th lap. Clavey recovered to finish 6th.

Next Saturday night the late models will race in a 50 lap double point feature race and then on Sunday July 4 the late models will race in their second and final 100 lap event of the year.

RIFLES NEWS

The Lake County Rifles football team of the Central States Professional League has added five ornaments to their talent tree. The Rifles have announced the signing of Terry Steinkoetter, Darryl Zupanic, Rich Fulleride, Dave Steele and Keith Bergen.

Rifles are scheduled to open their 1971 camp at Carmel High in Mundelein at 7 p.m. on June 28. The Rifles are defending southern division champions and will be preparing for their first exhibition encounter with the Racine Raiders July 31.

The camp is open to any former college, service or pro ball player who might wish to try out for the club. Head coach Jerry Sandberg has announced practice will be four nights a week the first two weeks of camp.

Game of the week

GIANTS VS ORIOLES

The Giants started out fine with a booming run in the first inning, but wound up being too nice to the Orioles. In the Orioles half of the first the Giant pitcher, Bogaerts, let by 3 runs. Both teams were held scoreless in the second. The Orioles' third inning gave them 4 runs with a lead off single by Nohava as openers and capped by Abderholden scoring on a wild pitch.

Koch led off the Giants' 4th with a walk and was smashed around by a single from Andre. Yound continued with a single to right field with Koch scoring. The bases were soon loaded and the Orioles pitcher, Grippando, became tense. The top of the batting order was up and Sheedlo cracked a double scoring 2 rbi's. In the inning the Giants scored 3 runs and closed the gap to 7 to 4, Orioles.

Then the Orioles had their turn to bat in the 4th. Caldwell walked and Grippando got a single. Nohava came to bat and smashed a double scoring Caldwell and driving Grippando to third. Holt came to bat and hit a single scoring Grippando. On a wild pitch Nohava tried to score but tripped and was tagged out. At the end of the inning the Orioles have padded their lead 9 to 4.

Things started out well for the Giants in the 5th with Andre kissing a double into left field only to see hope glimmer with a pitcher to first to third double play. Koch got on base with a walk and Allen follows with a walk but the lights blinked out when the next batter, Plechaty, made last out.

Since the Giants had opened their half of the inning with a double, the Orioles, not to be outdone, opened their half with a triple off the bat of Billy Seemann. Seemann scored on Lischewski's single, Caldwell was hit by a pitched ball and was sent to first.

GIANTS' MIKE FAGAN HEADS FOR SECOND
Mike Fagan heads for second base after team mate gets hit in the Thursday night game between the Giants and Orioles.

Caldwell tried to steal and succeeded in shaking up the Giants and continued to 3rd as Lischewski scored. The next batter, Grippando, was also hit by a pitched ball and the Giants pitcher, Bogaerts, was moved to short stop. The new pitcher was caught off guard as Grippando stole 2nd and in the confusion Caldwell scored. In disgust, the pitcher turned his back on the play and Grippando ran in to score. Mercifully the inning finally ended.

The Giant half of the 6th was quick; a fly to right caught by Seemann, a strike out, a one base hit by Sheedlo and a well hit ball by Miller caught by Caldwell and the game was over. Final score: Orioles 13, Giants 4. Winning pitcher Grippando, losing pitcher Bogaerts.

WHITSON HONORED

Among eight Swarthmore College athletes honored for outstanding performances this past year is Jerry Whitson, an Antioch High School graduate.

Now of Glen Ellyn, Illinois, Jerry had the 13th highest batting average in the Middle Atlantic Conference baseball, Southern College Division with .333. Jerry is also next year's co-captain.
